Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Sunday 16 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and occasionally heavy showers Sunday. Northern Isles cloudier.

Today:
Murky start for the Northern Isles then brightening up. Elsewhere, mainly dry start but a few showers in the south. Scattered showers more widely by the afternoon with chance of thunder in the southwest. Light winds.

Tonight:
Most showers will die out this evening and tonight but a few will linger towards the west coast. Some clear spells, but the east coast becoming cloudy, possibly misty.

Monday:
Showers near the west coast at first will spread east through the day with sunnier skies following across the west later.

Outlook for Tuesday to Thursday:
Rather cloudy with rain or showers on Tuesday. Brighter with a few showers on Wednesday, southwest becoming sunny. Cloudy with some rain on Thursday.
